

WOODHATCH FARM BARN

EPPING

Woodhatch Farm Barn is set in a semi-rural location and can comfortably accommodate 40 people. It can be hired by Church groups and Christian charities, for meetings, Away Days etc.

You can bring your own lunch and there is a fully fitted kitchen which can be used by the Group. Alternatively there are 2 local pubs where you could book lunch: The Dog House (formerly The Moletrap) and The Green Man Pub and Courtyard.

The cost is **£14.00** per person to hire for the day, and we provide tea/coffee for the Group to self-serve.

There is a minimum charge for 15 people for a Saturday booking. We ask that people share cars where possible as parking spaces are limited.
